SHILOH GARDENS**705 North 72nd St. Omaha, Nebr.****GLADIOLUS**

The Gladiolus descriptions in this price list are necessarily brief. The bulbs are from $\frac{1}{4}$ inch in diameter to larger size. We offer six bulbs of the same size and variety for the price of five. We prepay postage on all orders. We ask that customers send cash in the form of check, money order or stamps with their order. Should any of our goods prove unsatisfactory we will appreciate an opportunity to make proper adjustment. Planting instructions will be sent with every order. Please make orders for at least one dollar and no items less than ten cents. If orders include items under ten cents we will send those items not labeled.

For every \$2.50 sent for Gladiolus we will allow 50 cents extra, your selection, that is \$3.00 for \$2.50.
This season we offer Gladiolus bulbs in one size only, $\frac{1}{4}$ inches and up.

The following are 2 bulbs $\frac{1}{4}$ inch and up for 10 cents, labeled.

The 50 cents premium on \$2.50 orders does not apply on any of the following offers:

Our Ruffled Mixed, 40 blooming size bulbs for one dollar, is the best glad value we know. The bulbs are selected from our ruffled varieties and we aim to include from two to six each of about ten varieties. They are sent not labeled.

These bulbs if ordered from our price list to be sent labeled would cost three to four dollars.

40 Ruffled Gladiolus selected from the above, blooming size.....	\$1.00
75 Plump young blooming size Gladiolus, named varieties mixed.....	.60
150 Small size plump young bulbs, named varieties mixed.....	.60
70 Small size plump young bulbs, named varieties mixed.....	.50
500 Bulblets, 50 each of 10 good varieties, name labeled.....	.50
250 Bulblets, 25 each of 10 fine varieties, name labeled, very choice.....	.50

The above combinations are excellent value and have been our best sellers for years. Many write, "The ruffled gladiolus were the most beautiful I ever grew."

OUR X. L. ALL COLOR MIXTURE is by long odds the best Gladiolus value we offer. 150 bulbs and 1,000 bulblets for \$2.00. We believe every purchaser will be delighted with the bargain when the blooming season comes. The bulbs will range in size from 4's to 5's and 6's. Every one of the 4's and 5's and many of the 6's should bloom this summer. These bulbs are good cut flower varieties mixed and are not labeled. Those who do not care particularly for named varieties labeled should avail themselves of this offer and buy their bulbs for about one-fifth what these same bulbs would cost them if labeled. The 1,000 bulblets are 100 each of 10 good varieties correctly labeled.

IRIS

The following Iris are two of a kind for 12½ cents; or two each of eight kinds, total 16, for \$1.00. Add 15 cents for postage. (On all other Iris orders we pay postage.) JAPANESE IRIS	in mixed colors, not labeled, 12½ cents each; 10 for \$1.00 postpaid.	
JAPANESE IRIS SEED	saved from fine varieties, big fine blossom kinds, per packet.	.25
	No Iris seedlings for sale this season. The fine yellow of last season is all gone.	

PEONY SEEDLINGS

These are grown in our gardens from seed gathered from the finest peonies. Each and every one is a new variety, in some respect different from any other. There is absolutely no way of telling what the blossoms will be until they bloom. Some are likely to be extraordinarily beautiful. It is from such that Peony Growers develop their prize winners. We have only a limited number to offer. 5 first year peony seedlings, 50 cents.

REGAL LILIES

No flower garden is complete without its quota of Regal Lilies. We think this is the best thing in the way of flowers ever brought to this country. It is perfectly hardy, a consistent bloomer and grows rapidly. The lilies in bloom are wonderful. They throw off a very heavy and delightfully sweet-scented odor. The color is a pinkish white with a canary-colored throat. The flowers are very large and are borne in numbers on very stiff, wiry stems.

The first year bulbs are not likely to bloom the next season; but the second year bulbs should blossom nicely. The young bulbs may bear but one or two flowers the first season; but, if well cared for, the number of blossoms should increase each season and the stem grow taller until the bulb is bearing a dozen or more blooms. This lily seems to thrive best in full sun and deep, rich soil.

Plant Regal Lilies any month in the year that the ground is not frozen. Of course, the sooner they are planted the sooner one has blooming size bulbs. The blooming season is June and early July.

20 first year bulbs \$1.00; 12 second year bulbs \$1.00; Seed 250 for \$0.25. 8 bulbs each 1 inch in diameter \$1.00; 4 bulbs each 1½ in. diameter \$1.00. The larger bulbs should produce 2, 3 or 4 blossoms the next summer.

HARDY CHRYSANTHEMUMS—Name Labeled

AUTUMN GLOW.	Very hardy, pretty, rose-colored flowers; 20 cts.....	3 for \$0.50
ALICE HOWELL.	Very hardy, rich orange yellow flowers; very attractive; 20 cts.....	3 for .50

POLYSTICHUM ACROSTICHOIDES. (Christmas Fern).	One of our prettiest ferns, small clumps.3 for .25	

Plant ferns in moist soil in a shady spot. The afternoon sun would soon ruin them.

HARDY PERENNIALS

The hardy perennials are the backbone of the flower garden; once planted they establish themselves and grow larger and better year after year and do not have to be taken up when winter comes. Most of them will endure our coldest winters.

ACORUS. (Calamus; Sweet Flag).	Three feet. A moisture loving plant that may be grown in lily ponds or moist spots in the garden. The foliage is Iris-like; 20 cts.....	2 for .35
AQUILEGIA. (Columbine).	Mrs. Elliot's long spurred hybrids; one of the prettiest and most artistic flowers grown. Excellent cut flower. Those offered here are the long-spurred variety than which there are none better; 20 cts.....	2 for .35
ARTEMISIA (Silver King).	The foliage is silvery white and very beautiful, contrasting charmingly with the green of other garden plants. The flowers are minute and are like frosted silver. When cut and dried they are excellent to use in winter bouquets; 15 cts.....	2 for .25
ASTER (Hardy).	Three to four feet. Extremely hardy, with blossoms of wondrous beauty. They are daisy-like, with a wide range of colors. The blooming season is late and they are blossoming beautifully when most other flowers are gone; 20 cts.....	2 for .35
BLACK-EYED DAISY (Rudbeckia).	An enchantingly beautiful yellow daisy, with protruding dark center. It is a gem for the hardy garden; blooms all summer; 15 cts.....	2 for .25
CANTERBURY BELLS.	We offer the single which, when well grown, develops into marvelous specimens. Two to three feet; 20 cts.....	2 for .35
KOREANUM.	A fine, new chrysanthemum from Korea, of ironclad hardiness. White with gold center; this has been high in price, we offer them for the first time at low prices; 20 cts.....	2 for .35
CHINESE LANTERN PLANT.	Two feet; decidedly ornamental. The blossoms are succeeded by orange colored, lantern-like pods which are excellent winter ornaments; 20 cts.....	2 for .35
COREOPSIS.	Two feet. Fine hardy plants producing golden yellow daisy-like flowers in great abundance. Excellent cut flowers; 15 cts.....	2 for .25
DELPHINIUM (Hardy Larkspur).	Three to six feet. One of the finest hardy perennials. Fine for cutting. One year old plants, should bloom this year; 20 cts.....	2 for .35
DIANTHUS BARBATUS (Sweet William).	Very hardy and dazzlingly beautiful; 15 cts.....	2 for .25
DIGITALIS (Fox Glove).	Two to six feet. Large tube-shaped flowers that range in color from white through various shades of purple-pink. Good for cutting; 20 cts.....	2 for .35
FORGET-ME-NOT.	Six inches. It requires cool, moist soil and a location in which only a few hours morning sun can reach it. No garden should be without it; 15 cts.....	2 for .25
GAILLARDIA (Blanket Flower).	The blossoms are two to three inches in diameter and are a combination of orange, scarlet, red and maroon; 15 cts.....	2 for .25
HARTJE & ELDER.	An early white daisy, free bloomer.....	2 for .25
GYPSOPHILA PANICULATA (Baby's Breath).	The blossoms are minute, fairy-like, and are borne in mist-like panicles that make fine cut flowers; 20 cts.....	2 for .35
HOLLYHOCKS.	The flowers are large, saucer-shaped and embrace nearly every color; 15 cts.....	2 for .25
LINUM PERRINE (Blue Flax).	Two feet. This hardy plant produces sky blue flowers so abundantly that the plant seems covered. The foliage is pretty, too; 15 cts.....	2 for .25
LUPINUS.	Graceful spikes of pea-shaped flowers, excellent for cutting; 20 cts.....	2 for .35
PHYSOSTEGIA.	Three feet. These plants make, at blossoming time, one of the showiest spots in the garden. They bloom freely and are like a huge bouquet; good cut flowers; 15 cts.....	2 for .25
PLATYCODON.	One to two feet. The flowers resemble little balloons; they are good for cutting. Very hardy and very desirable; 20 cts.....	2 for .35
POPPY (Oriental).	One of the outstanding flowers of the hardy garden. The blossoms are saucer-shaped, often six to eight inches in diameter and are a dazzling scarlet. In the blooming season they are a perfect blaze of color. No other flower is so attractive. First year roots (that should bloom next year) 10 for \$1.00. Two and three year old roots, 25 cts. each.....	5 for 1.00
PYRETHRUM (Painted Daisy).	Two feet, a garden gem, the fern-like foliage and the daisy-like blossoms are very beautiful, good cut flowers; 20 cts.....	3 for .50
RANUNCULUS (Creepers) BUTTERCUP.	A hardy vine bearing pretty yellow flowers, excellent for cemetery planting. Spreads rapidly, a few should soon cover a grave; 15 cts.....	2 for .25
SHASTA DAISY.	No garden is complete without this dazzling, white flower. Excellent for cut flowers. Blossoms two to five inches in diameter; 15 cts.....	2 for .25
VARIEGATED SEDUM	is one of the loveliest perennials in our gardens. Foliage very pretty.....	.15
VIOLETS (Hardy).	Of the cultivated sorts; the flowers are larger than the wild kind; 15 cts.....	2 for .25
VERONICA.	One and one-half feet; one of our hardest plants. The blossoms are blue and are produced in pretty spikes; 20 cts.....	3 for .50
YUCCA (Adam's Needle, Spanish Bayonet).	3 to 6 feet, one of the most effective hardy ornamental plants, broad sword-like evergreen leaves; creamy white flowers; 20 cts.....	2 for .35
15 Hardy Perennials for \$1.00.	Everyone should bloom this year: Canterbury Bells, Columbine, Coreopsis, Delphinium, Achillea, the Pearl, Regal Lilies, Hardy Asters, Gaillardias, Gypsophilas, Artemisia Silver King, Golden Glow, Hardy Violets, Nepeta, Liatris, H. & E. YELLOW DUKE. (Dec) clear, bright canary yellow, immense flowers, very desirable.....	.20

CANNAS

Cannas are so easily grown, bloom so continuously and abundantly that every flower garden should have a bed of them. The following are first class standard varieties at very low prices. 15 cents each; 8 of any one kind or 8 assorted, name labeled, for \$1.00.

CITY OF PORTLAND. This is one of the most beautiful pink Cannas. A fine bedding variety; well filled trusses of large flowers. Green foliage. Three feet.

EUREKA. The best white Canna in existence; white, overlaid pale cream. A splendid grower and bloomer. Two and one-half to three and one-half feet.

HUNGARIA. Three and one-half feet. The best pink Canna. Leaves bluish green, never burn. Flowers very large, with immense petals. Trusses of enormous size, borne well above the foliage. Very compact, almost dwarf and of a very luxuriant growth.

KING HUMBERT. The most popular of all Cannas. Great orange-scarlet flowers surmount beautiful vigorous deep bronze foliage. 5 feet.

KING MIDAS. Four feet. Green foliage. The very best yellow Canna.

MRS. ALFRED CONARD. Three and one-half feet. The flowers are of the largest size, borne on heavy trusses. The color is a glowing shade of pink. The foliage is substantial and strong, of rich green color, and free from defects.

ROSEA GIGANTEA. Large flowers in great abundance; the individual petals are often two and one-half inches across, of a deep rich rose, almost a coral carmine. 4 feet.

SHENDOAH. Four feet. Flowers salmon-pink borne in large clusters, foliage rich ruby-red.

STATUE OF LIBERTY. Extremely vigorous grower, bronze foliage, large orange-scarlet flowers. 6 feet.

THE PRESIDENT. The greatest red Canna, possessing every desirable quality. Of immense size, unsurpassed in vigor, penetrating color, and a free bloomer. 5 feet.

WINTZER'S COLOSSAL. Flowers frequently eight inches in diameter; bright scarlet; very effective, free-flowering bedding variety. 5 feet.

WYOMING. Bronze purple foliage, immense spikes of large massive orange flowers. 6 feet.

YELLOW KING HUMBERT. A sport from the bronze leaved red flowering King Humbert. Flowers are yellow dotted orange-scarlet. The occasional reversion of a stalk of foliage and flowers to the typical King Humbert makes a bed of this variety very interesting. Four and one-half feet.

DOUBLE PEARL TUBEROSE. Delightfully fragrant and beautiful, double white.....

7 for .50

AMARYLLIS EQUESTRIS. Bright salmon-pink, white blotch; small 3 for 25 cts.; bulbets.....

6 for .25

Wood labels, copper wired, 50 for 35 cts.; Weather proof lead pencils for labeling.....

10 cts. each

HARDY EVERBLOOMING VERBENAS. Excellent hardy perennials, very showy.....

2 for .25

Because of the cost of postage and packing we kindly ask that no order be for less than one dollar. On the named varieties of peonies we hope at least two dollars will be the minimum; but we do not insist upon it. If the customer pleases to send an additional 15% to cover packing and postage we will send double the 15% in extras of our selection.
